

# Halifax Rowing Association

## 2023-2024 Regatta Schedule

---

This schedule is being released for **planning purposes only**. The dates/locations for many of these are estimates, as the regattas have not been posted fully on Regatta Central. Changes/updates will be relayed as/when known.

This schedule applies to **all** Halifax Rowing Association teams. Which team(s) are applicable is noted for each individual regatta. For clarity, the initials HS (high school) and MS (middle school) are used for the Juniors team.

**As a note to the Masters**, you will see that there are three head race regattas (Schuylkill, Hooch, South) that are back-to-back-to-back in the Fall. The Masters will need to discuss this as soon as possible to align on whether / how individual Masters would like to participate (or not) in these. Based on this, the Masters may drop one or more of these.

### **2023**
