I understand that my child will be participating in a water sport and I attest that she or he can swim with some element of expertise and safety. My child agrees to conduct him or herself in a safe and courteous manner during the camp. Please reinforce the message by helping your child understand that there should never be any “goofing off” while in a boat (unnecessary flipping, etc.) or while moving the boat to or from the water. If your child chooses not to abide by these rules or chooses to work outside the rules, you will be contacted and any equipment damage due to your child’s negligence will be discussed with you. SAFETY is our number one priority! Your child must listen to the coach for instructions on and off the water. Failure to respect the coach’s requests/commands will be discussed with you and appropriate action taken, which may include dismissal from the camp. No refunds for poor behavior!

As a parent/guardian I understand that I am expected to be timely in the drop-off and pick-up of my child during camp sessions. If I need to drop my child off prior to the start of the camp or if I arrive late to pick up, I understand and agree to pay \$25 per hour for this privilege (payable at drop-off and/or pick-up).

I understand that my child will not participate in any session unless the appropriate waivers are signed by me. Paperwork is available online (www.halifaxrowing.org) and/or at the boathouse. You may also request a copy by emailing halifaxrowingassn@gmail.com.
